MERCURY

Dear Gretch =

It's been fun being with you in Mr. Rivers kindergarten class. I don't envy you the second time around & the secret I had hoped you knew is out. I know you like Latin class but maybe I was wrong. Anyway I know you will have a swell time at the party tonight because you are so dumb, that makes you perfect in Latin class. We have a test coming up. I wish I could be there to see it. I'll bet you'll get a perfect score. Gretch, I'll see you at the party tonight. Maybe I can get a chance to talk to you alone. I'll bet you'll have a swell time

Hi Swabbie!? Do think that what you call someone who spends a lot of the time in the water. Good Luck

Mercury, son of the supreme Roman god, Jupiter, messenger of the gods, patron of travelers and merchants, aware of all things, *present everywhere,* always ready to help, sped through ancient legends on winged feet. He wore a hat with wings and carried a wand entwined with snakes—emblems of his magic power.

Like the Mercury of old, our 1959 annual—bearing his famous name—records for you, our friends and classmates, your school life. It, too, has been "present everywhere."

Just as the stories of the glory of Rome have survived the ages, so, too, this history of the senior class of 1959, will leave a permanent record of achievement to posterity.

Dear Gretchen,
I'm sorry I couldn't get to know you better in our four years. I wish you all the luck in the world.

love
Pete Johnson

Gretchen
It's been a lot of fun to know you through grade school and now here at East. Have fun this summer and don't try to make your hair any curlier.

Jim

Gretchen
It has been a laugh knowing you these last couple of years. I think you're the first girl that I could really confide in you some day in the future I would like to go out with you because I promised and I never did break my promise. I hope you still think of me like I do. Lots of luck in the future. Also Michael Tarantino.

To These We Dedicat

MERTON S. LEAN

"So many worlds, so much to do,
So little done, such things to be."

From the wellsprings of the ancient civilization of Greece and Rome has emanated the inspiration for many of the developments of the Western World; for schools, in particular. A classical cultural background has been considered a necessity for an educated man. Above all else, our principal, Mr. Lean, has been a classical scholar. To many generations of high school students he has opened the wider horizon of the Roman world, as revealed in its literature, training students in accuracy of thought and expression, arousing an appreciation of a by-gone day as interesting not only in itself but also in its application to modern life—a source of mental discipline, of pleasure, and of beauty.

Though reveling for many years in "the great of old," Mr. Lean was chosen to become the chief administrator of a modern high school in a period of constant change, even confusion, in educational standards. His is not an easy task. However, mid the diversified and conflicting demands made upon the principal of a large, city high school, mid all "the sounding jargon of the schools," Mr. Lean has been able to direct his course, guided by a sure light, a firm and just sense of values, whose source lies in the wisdom and experience of both the old and the new worlds, preparing the way not only for the present generation of high school students, but also for generations to come, confident that

"Si finis bonus est, totum bonum erit."

Our 1959 Mercury

If Mercury were to wing back to the past, he would see Mrs. Mary Smith in room 115 helping students create each month the magazine that bore his name, the MERCURY. Here she guided these students to an understanding of literary standards and an appreciation of the magic of the carefully chosen word.

When other assignments involved her in counseling and the chairmanship of the English Department, she could not continue her work with the MERCURY; but her interest in it, in its successor the ROCKET, and in the MERCURY ANNUAL has been a continuous interest in things literary.

As a teacher of English, she who has found that all of life is mirrored in books strives to stimulate her classes to that same experience. It is her philosophy that mastery of the art of reading and writing and speaking is the result of constant effort; that to learn is to experience not only pleasure but pain. Those who graduate from classes with Mrs. Smith truly have been prepared to accept the stern realities as well as the enchantments of life.

MRS. MARY B. SMITH

Being named business manager of the Mercury Annual and the Mercury monthly magazine was the first important assignment for Mr. Ernest A. May among his many activities at Riverside.

When the Commercial Department offered a course known as "Sales and Advertising," Mr. May taught it. He has a keen and imaginative mind. He was brimming with ideas for successful advertising. To prove to himself that his ideas were usable, he entered an advertising contest sponsored by the Standard Oil Company. His confidence in his ideas was justified when he won first place and was offered a position in the advertising department of the company's office in Chicago. How fortunate for Riverside that Mr. May's love of teaching won out and he stayed here.

When other duties, such as managing the bookstore and doing the accounting for all of the school's funds, were assigned to Mr. May, they required so much time that it became necessary for him to relinquish his work with the school publications.

Mr. May accomplishes a great deal of work with very little fuss. He never seems too busy to answer questions from students or faculty members, concerning subjects ranging from buying used books to income tax and pension problems.

Surely the many students with whom Mr. May has worked on the Mercury business staff as well as those in his classes have been greatly influenced by this man's ability and personality.

Though I'm not supposed to know it I know you like a good cup of beer. Just don't let it go to your head! I hope you will always be as "gay" as you have been these last few weeks. Best of everything in your next few years.

SENIORS

Many years ago, during the height of the Roman Empire, a select group of teachers taught only the adult young men of wealthy families. These young scholars read the great works of the philosophers and poets. They spent many years of their lives in study.

In nearly 2,000 years, there have been many changes. Today, instead of only a few people being given the opportunity of an education, all who wish to learn may attend school. The Seniors—now leaving Riverside—are comparable to those of ancient Rome, for they, too, have the chance to study the arts and sciences in college under the best teachers of our century.

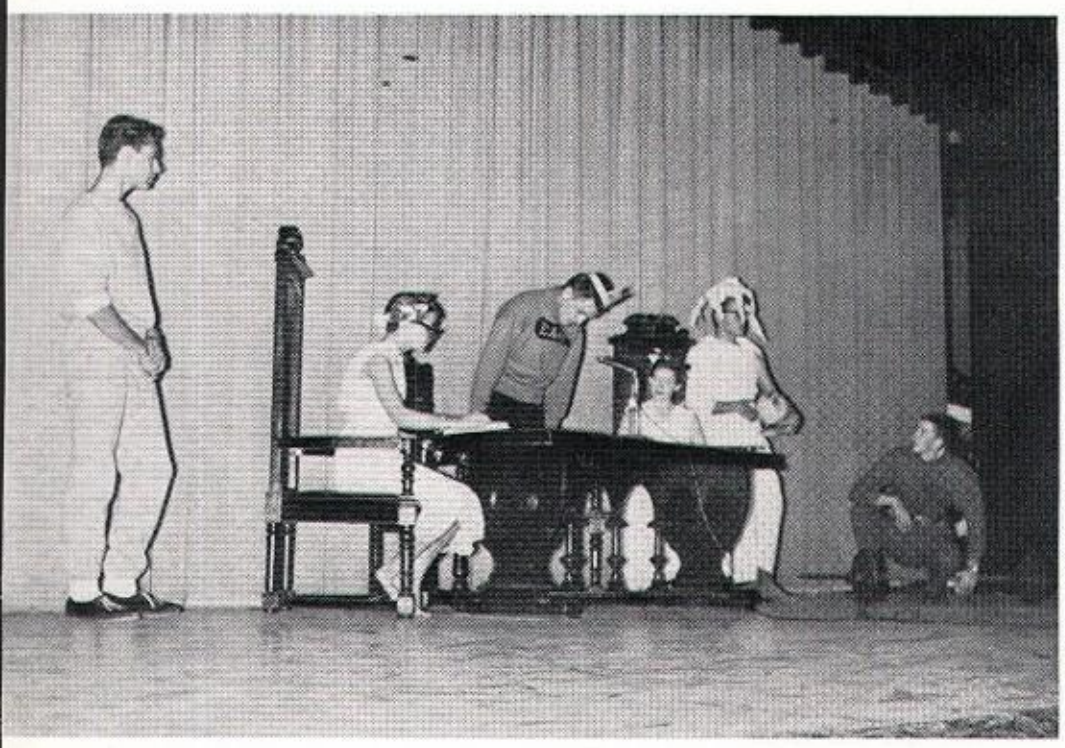
SENIOR LIFE



ACTIVITIES

"With friends all things are in common."
—Cicero

Dretta,
Lots of luck to
girl with nerve in
our home room. Once
string sure is your key
book to put Anderson in
her place. Keep your friendly
attitude and you'll go places.
See you in ten years at our reunion.

PROJECTS

Under the supervision of Miss O'Neil, the Freshman class has charge of the Lost and Found department. This office, on the first floor, has a student in attendance every hour and before and after school, to help return lost articles to their owners.

Lost and Found

Hall Patrol

Checking lockers, maintaining proper conduct in the halls, and acting as guides for visitors are some of the duties of the hall-patrol cadets. This activity, directed by Mrs. MacKedon, has become a school project for voluntary student service.

The junior and senior students are the patrolling group in the halls during the noon hour. It is their job to keep things quiet and in order. They are advised by Mr. Engen.

Noon Hall Patrol

Honor Study Hall

Under the supervision of the Honor Study Hall Board and Mr. Kopecky, advisor, students are able to practice self-control and learn good study habits in special study halls. Senior students take charge of these rooms every period of the day. Membership in honor study halls is by application.

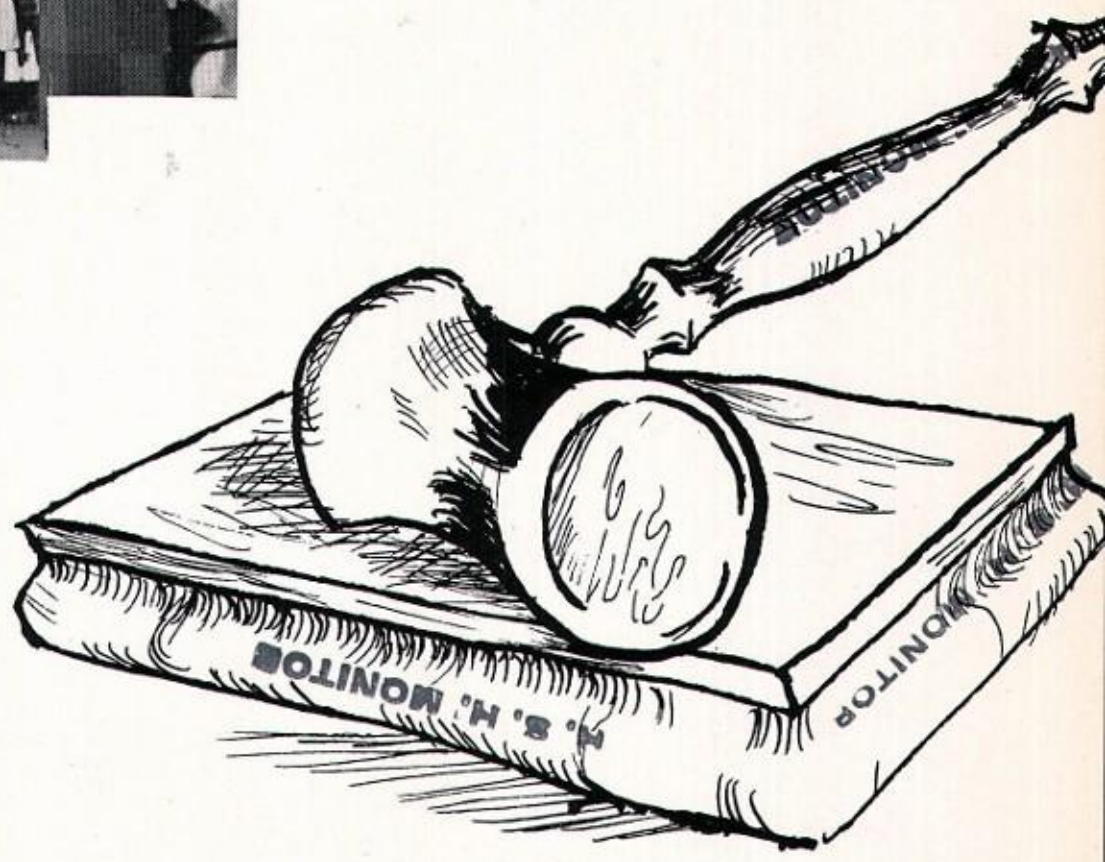
STUDENT COUNCIL

Seated—George Menos, Pres.; Patricia Young, Sec. *Standing*—Tony Berte, Sgt.-at-Arms; Richard Bosley, Treas.

The Dance Band at the 1959 Variety Show.

Student Council, the school's governing group, is composed of representatives from each homeroom and each club organization. Supervised by Mr. Richard May, this group meets every Wednesday to discuss and carry out services for the welfare of the school.

Among other things the Council sponsors are the Freshman Welcome, the Friday-noon Nickel Dances, and it assists in the producing of the annual Variety Show.



The Noon Nickel Dance.

SCHOOL SERVICE

The Office Monitors

On these pages appear the students who have volunteered for assignments in the school service groups. For their work, they receive service points and awards from the clubs and sponsoring advisors.

Many students devote one period each day to the work in the school office. Their duties include operating the inter-school switchboard, delivering communications, and helping with the attendance records.

The Visual Aids Crew

More than fifty boys are members of the Movie crew which works with Mr. Raynes to carry out an extensive program of Visual-Aid service in school.

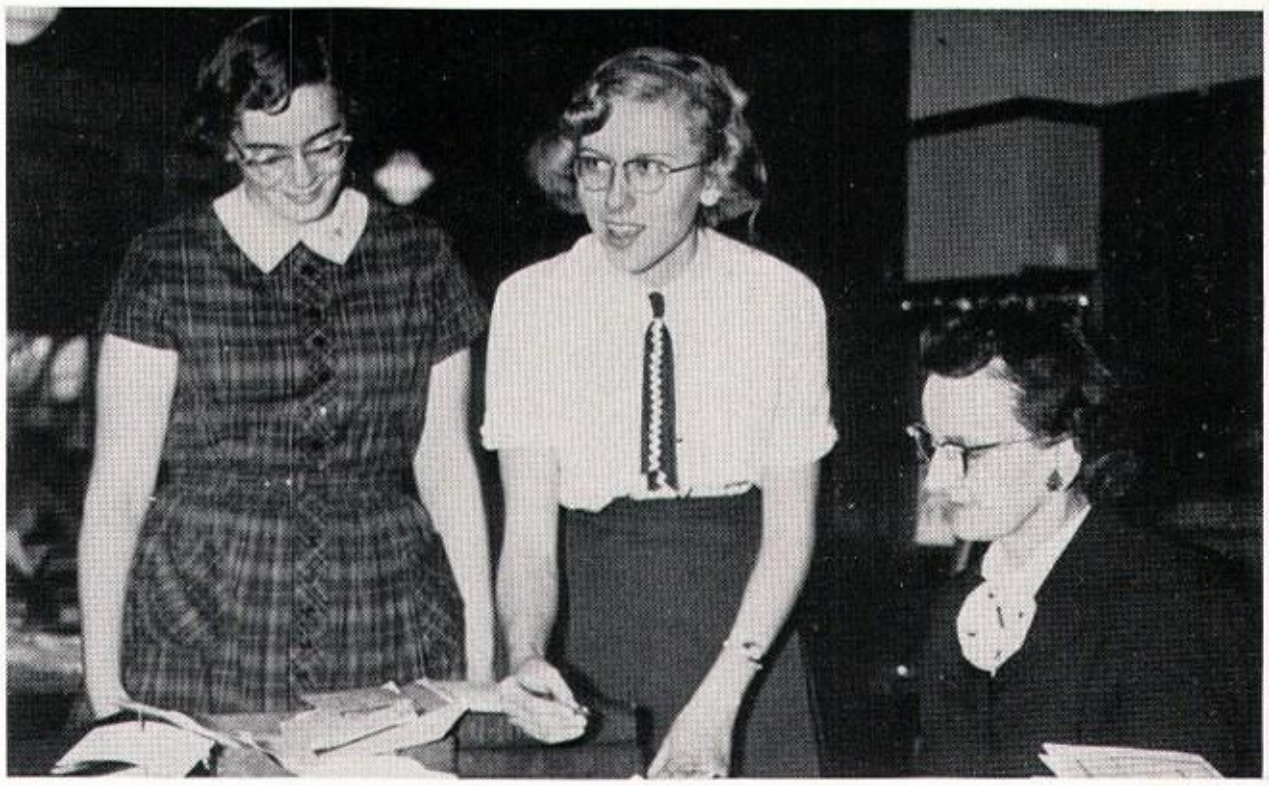
The services of this group include operating the movie machines for auditorium programs and community sings, showing films and slides, and taking charge of all phonographs and recording equipment in classrooms.

The crew is set up so that every class during the day will have a responsible operator ready for service.

Lights! Sound! Curtains! These are familiar terms to the Stage crew. These boys see that all equipment necessary for a smoothly handled production is in good working condition. The scenery and backdrops for plays and programs are also the duty of this crew.

Very few people realize how much actual labor goes into the "back-stage" preparation of each program.

The Stage Crew



The Library Monitors

To be a Library monitor, one must be able to give assistance to Miss Paff in every area of library work. A monitor must be able to catalogue, shelve, and distribute books, to check overdue books, and to issue books to the readers.

Many of the girls who serve during their free periods are planning on a career as a librarian.

The Infirmary

Taking charge of the infirmary is a function of Camaraderie. This is an hourly project which includes the caring for those taken ill or injured in school, and assisting the school nurse. One member of the faculty is on duty each period with the monitor. Supervision and cleanliness of the infirmary, at all times, is also the duty of the girls in charge.

The Cafeteria

Working in the cafeteria each day becomes an activity for those students who assist Mrs. Froemming, Miss Gross, Miss Anderson, and Miss Dunaway with their various cafeteria duties. Some assistants spend half an hour each day washing dishes in the kitchen; others, stacking trays and dishes; and, others, working at the candy and ice cream counters.

The Public Address Crew

Members of the Public Address crew, captained by Charles Nelson, have a very important service to perform for the school. They are the "engineers" who are responsible for announcements coming through clearly. They also supervise all "sound effects" for auditorium programs, and for smooth reception of the music used at the noon dances on Wednesday and Friday.

GAENSLEN

Riverside's sister school, located at 1301 E. Auer Avenue, is a school for handicapped students. A school day begins at nine o'clock in the morning and ends at two forty-five o'clock in the afternoon. These boys and girls do not have as many activities as we do, because their time is limited. They do enjoy Service Club and its activities which include the Christmas Play and the Costume Day, on Halloween.

During our January and June commencement programs, the Gaenslen students also receive their diplomas.

"Friendship and Companionship"—the motto of the girls of Camaraderie is expressed in all of their activities. This club is open to all girls who wish to join. At each monthly meeting, one of the four class divisions presents a program.

The organizer—Mrs. Mathiowetz—is assisted by Miss DeMarsh, Mrs. Schumacher, Miss Zeman, and Mrs. Seitz, who advise the individual groups.

The members of Camaraderie sponsor the Prom, Homecoming Hop, the Mothers' Tea, and the Pigtail Day program. This year the seniors presented "Alice in Wonderland" for Pigtail Day and the Mothers' Tea.

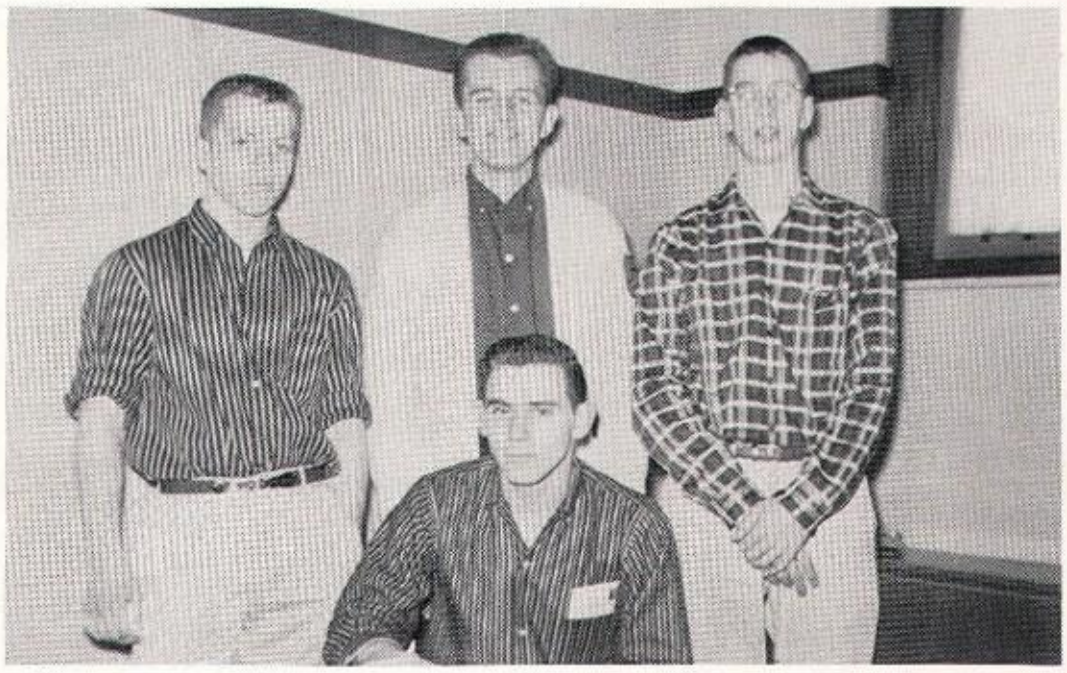
CAMARADERIE

"Pigtails, Lollypops, and Dolls!"

CAVALIERS

Cavaliers, the largest boys' club in the school, again had a successful season. The boys organized and packed the Thanksgiving baskets from each homeroom.

With Camaraderie, they are responsible for the presentation of the Prom and Homecoming Dances. They are advised by Messrs. Bierman, Buro, Glatting, Coplan, Procknow, and Trythall.



Seated—Ken Stenglein, Pres.; *Standing*—Dick Rasmussen, Treas.; Tom Krueger, Vice-Pres.; Bill Gee, Sec.

Cavalier members load the Thanksgiving baskets.

Dick Rasmussen collects the tickets as the members enter the auditorium.

SERVICE CLUB

Mr. Hafey and the Service Club help students during free periods in the subjects in which they have trouble. The tutors must be on the honor roll and excel in the subject which they are tutoring. The members give many hours of their time to the students who need it.

Aiding with the blue cards.

Assisting the teachers with the making of blue cards, taking the place of absent teachers during homeroom time, and "sitting-in" on classes are some of the duties of the members of the Future Teachers of America Club. Their advisors are Miss Downer and Mr. Rassmussen. They are of invaluable service in the school, while they gain knowledge of their future careers.

ALLEN CLUB

Bottom Row—Alice Abrahams, Inter-club Rep.; Betty Hicks, Vice-Pres. *Top Row*—Judy Seidita, Sec.; Cynthia Pagliano, Pres.; Charolette Tegtmeyer, Treas.

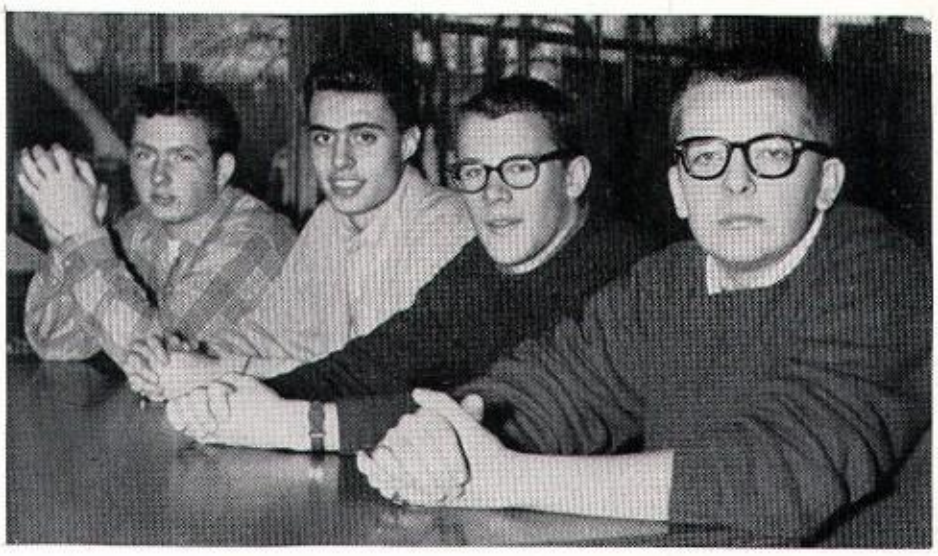
On alternate Thursdays, at Lake Park Lutheran Church, the meetings of the Allen Club, which is affiliated with the Y.M.C.A., are held. One of the projects of the club is selling candy to help sponsor a trip to Lake Gilbert for some of the members of the club in the spring.

During the Christmas holidays, a square-dance and a progressive dinner were held. Under the guidance of Mrs. Boltz and Miss Strasburg, the club endeavors to interest the girls in school and community life and create habits of good grooming.

The Christmas Program

The Square Dance

HI-Y



Jim Colyer, Pres.; George Menos, Vice-Pres.; Harry Demorest, Sec.-Treas.; Andrew Boesel, Chaplain.

The Hi-Y club is affiliated with the Y.M.C.A. and strives to give its members suggestions for future careers through an active and varied program. The club, under the advisorship of Mr. Grogan and Mr. Bierman, also gives the boys instructions in good grooming.

This year's winter semi-formal, sponsored by Hi-Y, was held at the University of Wisconsin Student Union and was called the "Miss Mistletoe Dance".

"Miss Mistletoe"

The Roman Wedding

For the past two years the members of Latin club have restored for the future students of Riverside, a scrapbook, which tells the history of our school.

Besides this project, the club, under the supervision of Mrs. MacKedon, donates its dues to American Field Service. It also sponsors the traditional Roman wedding at the time of the Feast of Saturnalia.

Row one—Linda Polacheck, Buffy Bellis-Aediles. *Row two*—Jane Cassidy, Judy Scidita—Consuls; Norman Baker—Quaestor.

The "Pinata"

Breaking the "pinata" during the Christmas fiesta, is one of the activities to which members of Spanish club look forward, each year.

Miss Dunaway, the club advisor, leads the students in a better understanding of the Spanish language and way of life of these people. Club dues are donated to the American Field Service.

Liz Kochanski, Sec.; Larissa Zivers, Treas.; Charles Fain, Pres.

FOREIGN LANGUAGES

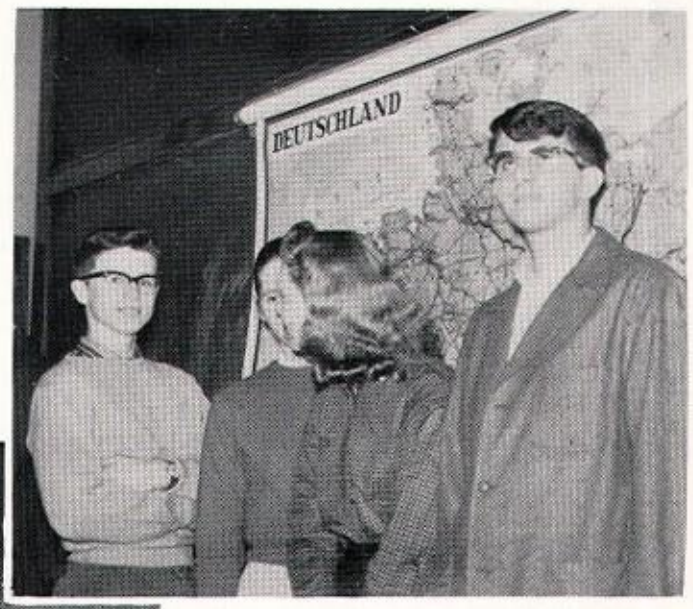
Seated—Janet Hady, Pres. *Standing*—Dede Phillips, Treas.; Peter Schellin, Vice-Pres.; Alice Abrahams, Sec.

Selling flowers in the spring of the year, usually in May, is French club's big project. The proceeds from this sale are donated to the American Field Service.

Miss Dunaway, the club's advisor, stresses at each meeting, the importance of being fluent in the French language, and of learning all about the culture, customs, and history of France.

Sponsored by Mr. Pleister, the German Club helps to promote better understanding of the customs, culture, and language of the German people.

Members of the club publish a small newspaper, and donate their dues to the support of the American Field Service.



Eillen Ehlers, Pub. Chairman; Baiba Krumins, Treas.; George Heide, Sec.; Wolfgang Eudenbach, Vice-Pres.; Charles Nelson, Pres.

POSTER CLUB

Young in years, but experienced in service is the service group known as the Poster club.

Just as its name implies, the members, serving when needed, make the posters which advertise all the school functions. Mr. Purin directs the group, and the halls of Riverside are brighter for the work of these skilled students.

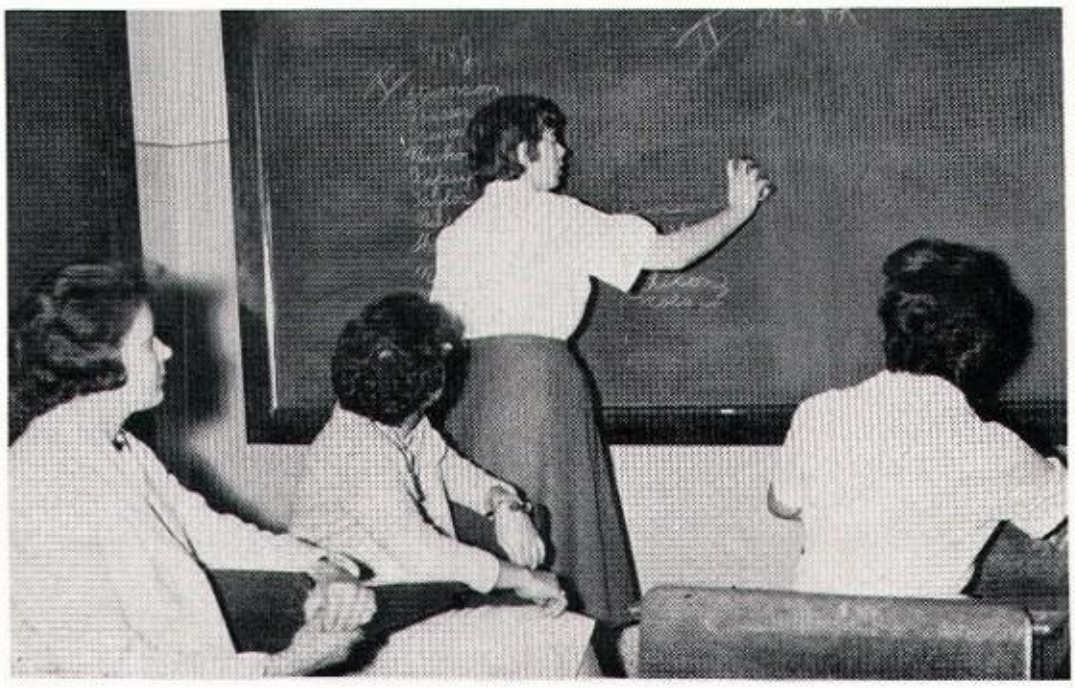
CUE CLUB

Revived after two years of inactivity, the Cue club, under the supervision of Miss Bodden, has re-opened its doors for any person who shows talent in dramatics.

The members of the Junior-Senior play cast are automatically accepted. Other students wishing to join, may have try-outs in front of the present members who determine the contestant's ability.

FIRST SEMESTER
Louis Manera, Vice-Pres.; Mary Grace Mortenson, Pres.; Donna Pollock, Sec.-Treas.

PEN PUSHERS



The members of Pen Pushers, the creative writing club in school, discuss current books and movies which have interesting plots. The group also writes original short stories and poems which are read and discussed. The director is Miss Zeman.

Janet Hadey, Vice-Pres.; Mary Ellen Bumpkie, Sec.

ORIENT-CRESCENT

Orient-Crescent, the debating society of the school, is under the supervision of Mrs. Anderson. This club seeks to advance the interest and knowledge of the members in current events.

This year, at a Mock United Nations Assembly meeting held at Marquette University, several members of Orient-Crescent took part. The club raised funds to contribute a painting to the school. You may see this picture on the East wall of the second floor.

Dave Herrewig, Pres.; Charles Nelson, Vice-Pres.; Joel Perlson, Sec.; George Hoffman, Treas.

HOME ECONOMICS CLUB

Seated—Lynn Fredericks, Treas.; Nancy Deniston, Pres.; Kathleen Pollen, Recorder. *Standing*—Judie Kumbier, Publicity Chairman; Joyce Smerlinski, Vice-Pres.; Evelyn Jankowski, Sec.

To give its members a background of preparation for home-making is the function of the Home Economics Club. The club's social events include style shows, parties, and the planning and serving of the senior Honor Dinner.

The field trip for this year was to the Home for the Aged, where the girls sang Christmas Carols.

Miss O'Neil, Mrs. Maki, Mrs. Froemming, and Mrs. Lemke advise the Home Economics members in all their activities.

A.F.S.

One of our foreign exchange students this year is Nicolet MacKenzie from New Zealand.

Her warm smile and vivacious personality quickly endeared her to Riverside students.

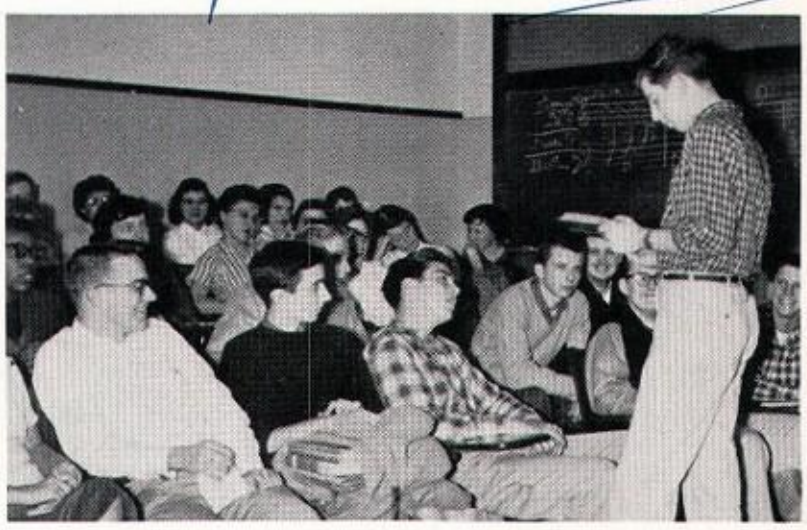
"Niki" has taken an active part in many school functions including the leading role in the Junior-Senior play "Pygmalion". She also participated in Camaraderie, Student Council, and the American Field Service program on United Nations Day.

A most able and interesting ambassadress to the United States from her native land, Niki has given Riversiders a much clearer picture of her country "down under".

Nicolet MacKenzie

Gretchen,
Your lively presence has certainly made me enjoy gym - 6th hour study hall tremendously. It has been a riot knowing a girl like you - at ranch, for example. Have a wonderful time next year, remember the Kiwi birds, and keep smiling - Niki

The American Field Service program introduced our exchange students to the students of Riverside.



Pedro gives a speech to the Spanish Club.

Pedro Dornheim

From Argentina, in South America, comes Pedro Dornheim, our second American Field Service student.

Pedro quickly entered into many school activities, including Cavaliers, cross-country, and the American Field Service. In the 1959 Band Review, Pedro was featured with a group in an adaptation of a South American tango.

The students of Riverside have learned many customs of South America from Pedro, and have cemented a lasting friendship with him.

The Casuals

Our Mistress of Ceremonies—Nicolette MacKenzie.

On March 13, the "Sunset Caravan" arrived with twenty-seven acts, with snappy tunes, and an able cast.

The Student Council was fortunate to have Messrs. Ferrari and Holdorf coach the show, for it is from the Variety Show that the Council funds for this year are acquired to support its activities.

Mr. Richard May, advisor of the Council, handled the business affairs of this third annual Student Council Variety Show.

FOOTBALL HOP

The Grand March

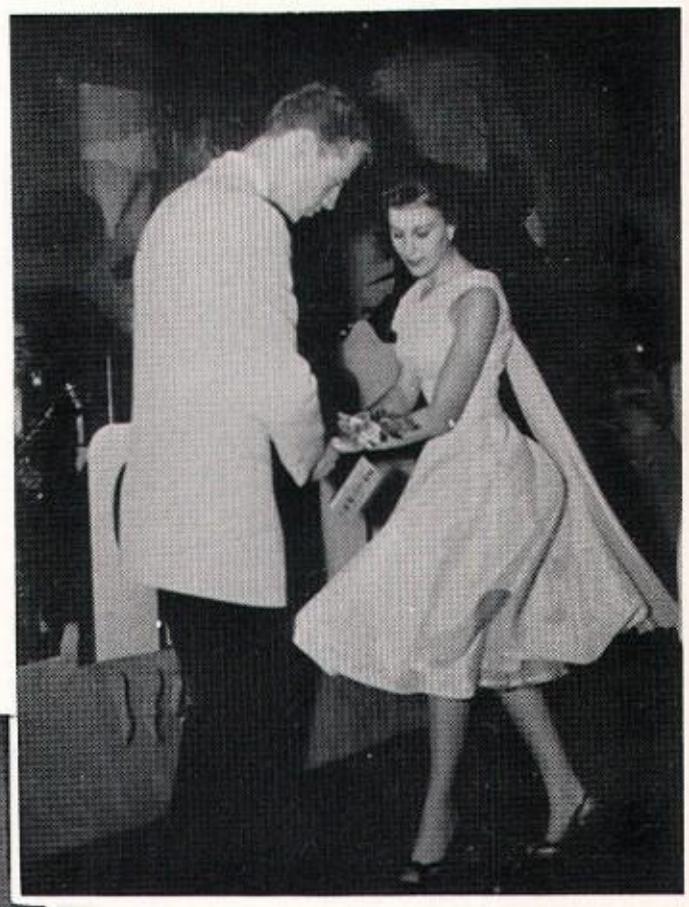
A spirited pep rally in the school auditorium, on the afternoon of October 24, opened the series of events that led to the gala celebration of our Football Hop.

Peace pipes, tepees, and corn stalks developed the theme—"Indian Summer"—at the annual dance. The music was provided by Tommy Sheridan and his Band. High-lighting the evening was the Grand March led by Tony Salerno, King, and his partner, Carol Kraemer.

Left to Right—Bernie Schiera, Kathy Kealty; John Lukowitz, Christel Rohr; Bob Ekhardt, Julie Eberhardt; Wayne Koch, Jane Eberhardt; King, Tony Salerno, Queen, Carol Kraemer; Jerry Bach, Lynn Hildebrand; Pete Johnson, Betty Hicks; Phil Michalovitz, Cecile Balestrieri; Tom Kreuger, Suzanne Kaemmer. Not pictured, Goldie Kallimanis and Jim Aveni.

PROM

Our Queen, Jane Sutton, and King, Phillip Michalovitz.



"Bali Hai," the theme of the 1959 Junior-Senior Prom, was carried out in decorations and music.

The crowning of the King, Phillip Micholovitz, and his Queen, Jane Sutton, was the highlight of the evening.

"Bali Hai" was produced by committees from Cavaliers and Camaraderie and their advisors.

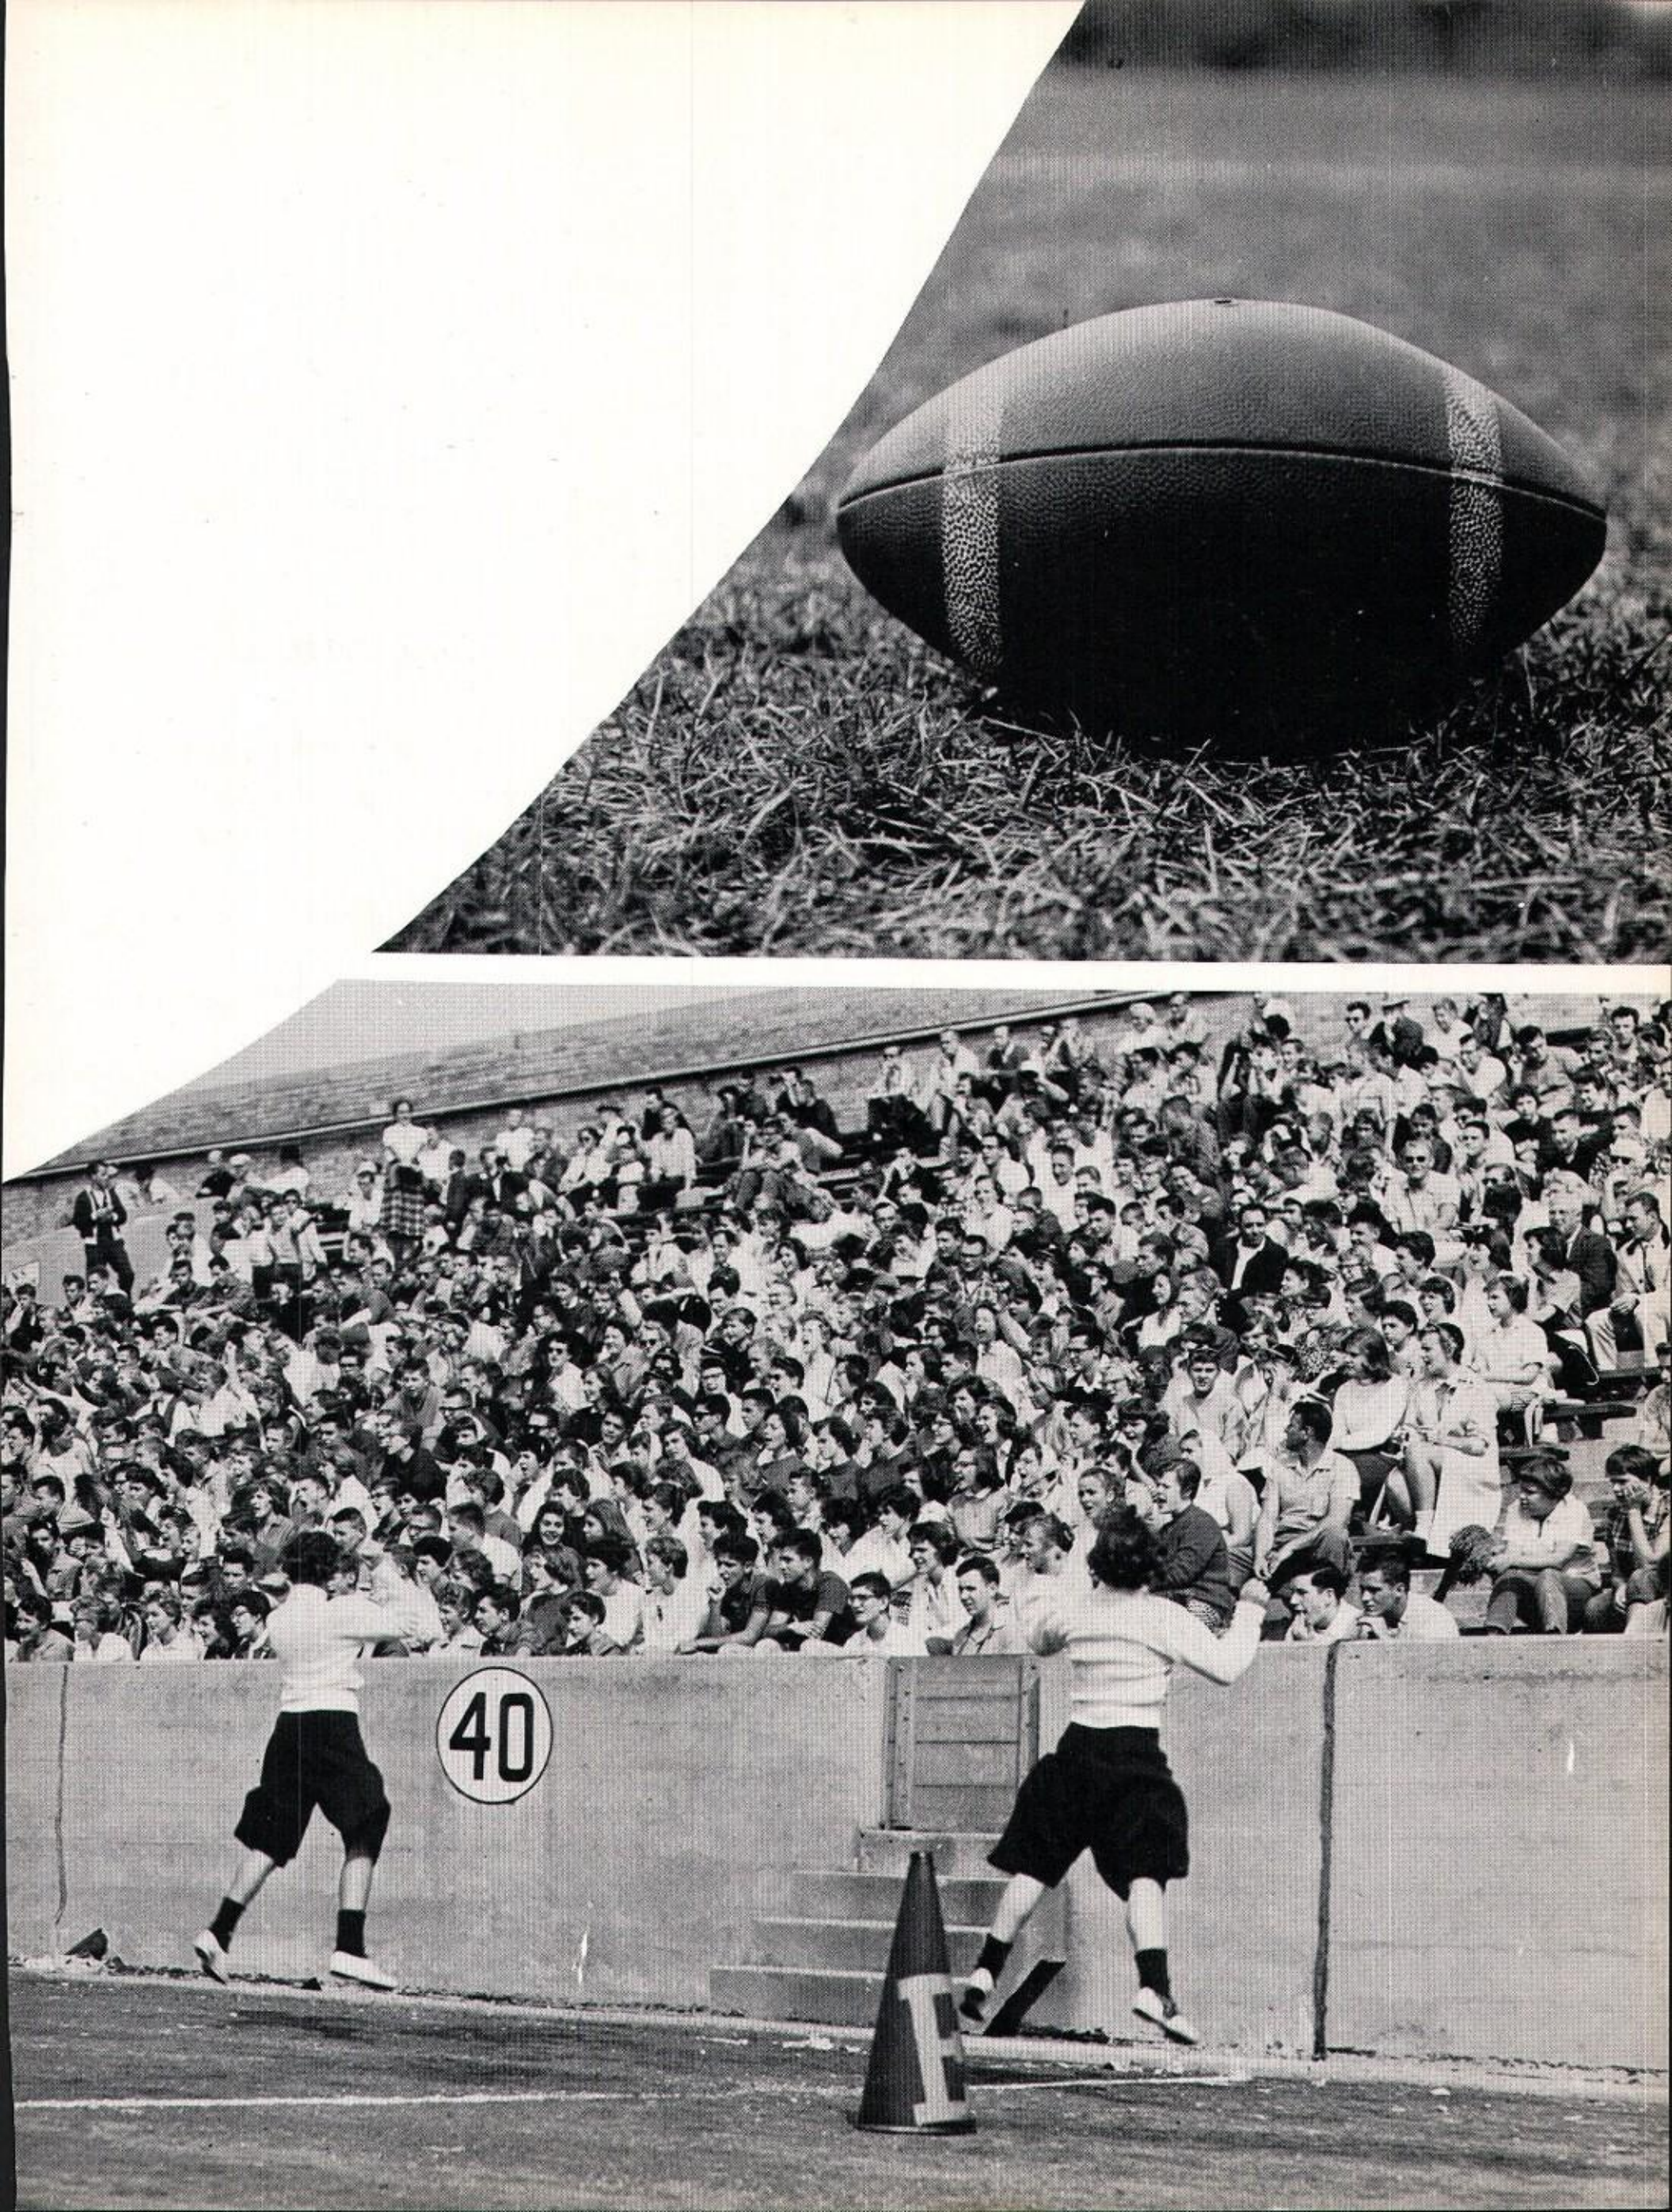
SPORTS

In ancient Rome much of the popular entertainment centered around tests of strength—gladiator combats, races, and discus throwing. Attendance in the amphitheatres reached many thousands, depending upon the prestige of the contestants.

Almost 2000 years later, we too are attending competitive games. Although our sports are of a different nature, we still rush to the stadiums to see football, baseball, and track matches. And, just as the Romans cheered their heroes, we, too, urge our athletic squads to victory.



40

Our fighting Tigers, captained by Tony Salerno, fought all the way through an up-hill football season. In the last game of the season against King, the boys displayed their best teamwork. Coach Fallon said "The best plays were the kick-offs and the reverse plays which proved to be very effective and exciting."

Phil Michalowitz and Pete Johnson made All-City honors in the second team division. These boys are both seniors.

The juniors and sophomores who played in the games acquired valuable experience which will be useful to next year's team.

Gretchen,
I think you are great and I have so much to say to you but I don't where to start. Stay as you are and you'll go places.

Fleet as Mercury, our Cross Country team, captained by Tony Berte and competing with twelve other schools, took fifth place in the City Meet. We took eighth place in competition with twenty other teams.

George Menos, who placed fifth in the State will be one of six returning lettermen next fall.

Coach Pleister stated, "The 'B' team with these experienced runners will give us a good Varsity team for next year."

Top row—Del Timper, Manager, Tom Przybylinski, Charles Alioto, Robert Dressler, Mike Zeidler, Gary Damlke, Brooks Mitchel, Carl Wilke, Pedro Dornheim, Ole Hansen, Gilbert Case, Richard Pott, Bob Cassidy. *Bottom row*—George Menos, Rick Bosley, Tom Owen, Tony Berte, Carl Miller, Juris Steinberg, Pat Teicher, Frank Alioto.

In ancient Rome, gladiator contests resembled wrestling matches of today, except the persons involved had to fight for their lives. Today, our wrestlers enter skilled competition, although they employ some ancient "holds" and "falls".

Our wrestling squad this year, won seven out of eleven matches. The matmen improved during the last half of the season by winning five of the last six matches. Captain Richard Rasmussen, Pete Johnson, Tony Salerno, Ron Pressely, and Tim Pazzino qualified for the City Meet.

In our 1958-59 basketball season the "bucketeers" played their games with fine spirit and form. Although they did not win all of their games, they are a team of which we can be proud.

One of the graduating seniors, Phil Michalovitz, was the second highest scorer in the city. Two boys who played as regulars, Hugh Risseeuw and Anton Svatos, were kept out of much of the action because of broken legs.

Strengthened by three returning lettermen, Pete Hirsh, Tim Hoyt, and Tom Thomas, our tennis team displayed exceptional talent as practice opened early in April.

Guided by Coach Trythall, the team is ironing out its weak spots and should have a season of many wins. The Varsity, Frank Meci, Peter Hirsch, Tim Hoyt, and Norton Thomas, is supported by a very promising group of freshmen and sophomores.

Kneeling—Henry Werner; Greg Bavers; Allen Babbitz; Clyde Bingman; James Garnes; Jim Alverd. *Standing*—Frand Lant; Mike Schrinner; Tom Krueger; Richard Ketchum; Terry Collins; Richard Ganneman; Philip Hastings; Jack Leedstein.

BASEBALL

Captain, Gerry Bach

Coached by Mr. Buro, the baseball team, of 1958, played outstanding ball during the last half of the season. All twenty-one games, with the exception of two, were decided by very close scores. In the last innings, the game could have gone to either team.

This was an exceptionally high-spirited ball club and was credited with playing 500 ball. According to Coach Buro, "The team's strength was displayed in the pitching and fielding positions, which were the determining factors in the scores."

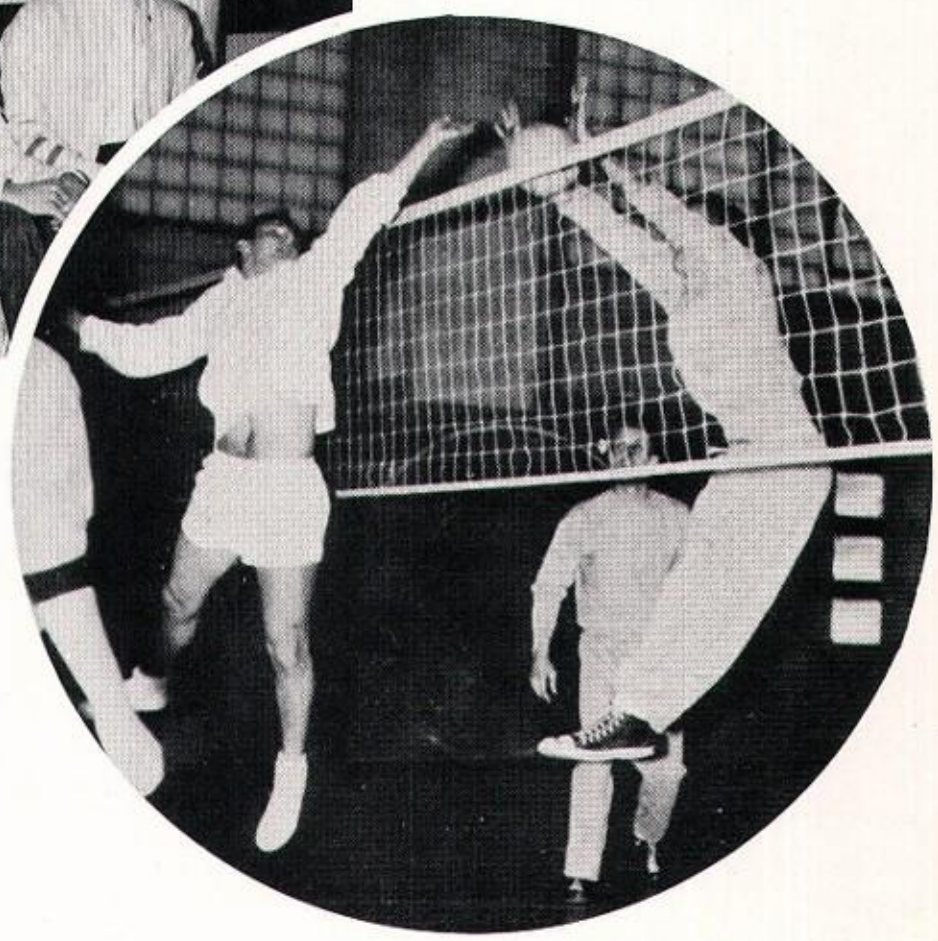
EMBLEM CLUB

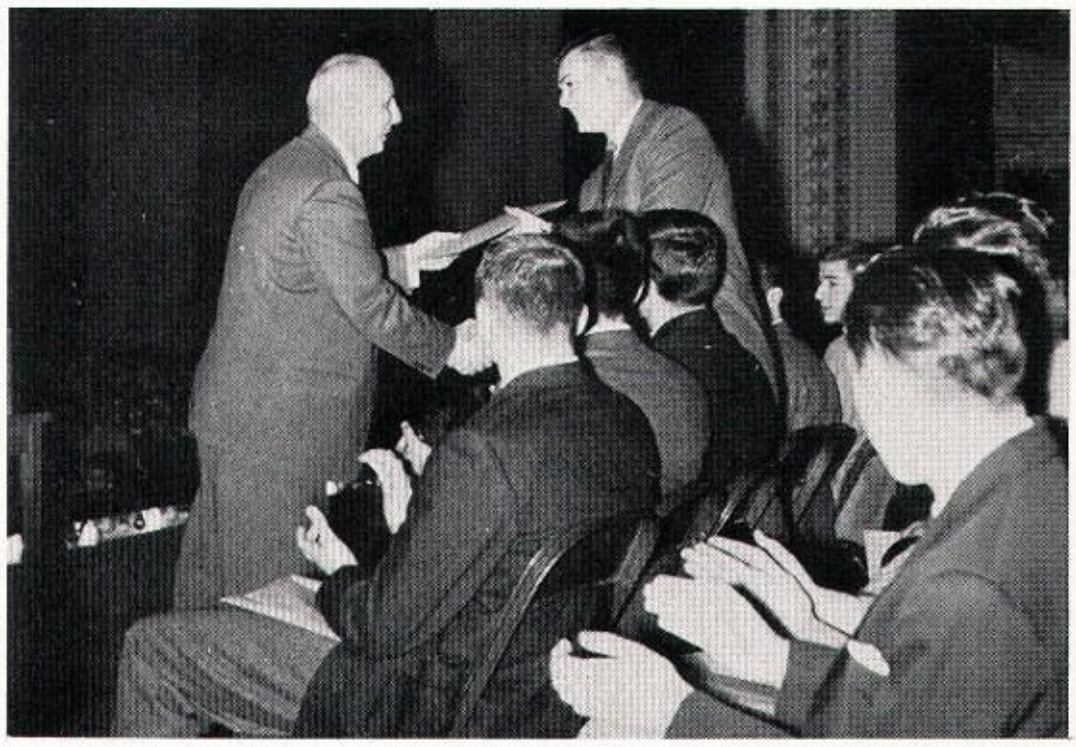
Hugh Rissouw, Pres.; George Menos, Vice-Pres.; Harry Demorest, Treas.; Jane Sutton, Sec.



Only three years old, Emblem Club has established itself as an important organization. The members are boys and girls who have won major letters in sports.

Among the projects the club sponsors are the fall Athletic dinner, Color Day programs, and the Wednesday Nickel Dances. The club promoted the Faculty-Student volleyball game, the swimmer-wrestler basketball game, and the Junior-Senior football game.

Mr. Powers, Vice-Principal, is the director of the club.



DANCE AND DRILL

Precision and style are the results of many hours of practice by the Dance Group. The girls have contributed much to our school life with their auditorium programs. Their productions this year included pep rallies, the Christmas program, and the Variety Show. The Dance Group has received acclaim from people outside of Riverside as well as from the entire student body. The girls are directed by Miss Green and Miss Barkow.

Meeting at seven-thirty, noon hours, and after school, daily rehearsals are required for any girl who becomes a member of the Drill Team. Hours are long, but the hard work has made the group the best precision team in the city. Miss Green and Miss Barkow train this top-ranking outfit. Not snow, rain, or cold keeps the group from giving a show which is a credit to Riverside.

First row—Jinny Zarnke, Barbara Christopher, Edith Gilbertson, Lynn Hildebrand, Chris Spanley. *Top row*—Chuck Kirchner, Patti Bitker, Betty Hicks, Ron Daniels.

"Stand up and cheer."

With the speed and liveliness of Mercury, as though they have wings on their feet, the cheerleaders arouse the spirit of the student body during our pep rallies and other sports activities.

Under the supervision of Miss Green, the cheerleaders spend their noon hours in practice, to improve and make additions to the old routines.

G.A.A.

Jane Sutton, Pres.; Mary Gibbon, Vice-Pres.; Cynthia Pagliano, Sec.; Elenore Shipman, Treas.

Girls' Athletic Association, better known as G.A.A., has for its purpose the promotion of good sportsmanship, companionship, and a well-balanced sports program for girls at Riverside.

Coached and advised by Miss Green and Miss Barkow, the officers and members of G.A.A. have planned and carried out many successful tournaments and sports events.

This year's activities included a "get acquainted" party for incoming freshmen, and track, table tennis, basketball, volleyball, and badminton tournaments.

G.A.A. makes possible friendly competition between all grade levels. The girls learn what teamwork, good sportsmanship, and ability can produce.

Mercury, the sure-footed, swift-winged messenger of the Roman gods, has become a name in folk-lore and legend to high school students everywhere. The tales of his exploits and adventures are a part of the history of an ancient civilization and the glorious days of a great generation of people.

May the *Mercury* which the staff of 1959 leaves with you, bring in photography, art, and story, the achievements and activities of our school. May it record, for posterity, the joys, successes. and events which made this year memorable in the hearts of all Riverside students.

Received!

Hi Doll,

We really have had some laughs in the past four years - and I hope our fun continues next fall!

I will never forget our many slumber-parties or trips to camp. I hope you all will be able to come up to Waupaca again this year! Remember the night we found the little Kitten - and our after school conflabs at the Purgatory, your house, and Marnas.

We should have a real blast this Summer at the beach - We'll have to go hunting (ahem). I'm glad you were with us last Sat. — don't you love, ever forget it. Slight mess!

I'll never forget our gay lunch hours at Joan's - the food was bad, but it was fun. Remember the walks after Marshall practice and that big red brick house —— well. I hope we have a ball this night - we just have to.

It will probably be in of that job at the Herald comes through - the whole gang will be working there. Best of everything

Always,

Luanna

never forget it. I think still our
birthday presents will remember when
were sent to celebrate, those were hard days.
you snubbed each other during this year
and we can be a friendly basis, instead
your senior year has been one. I really
think you are will too. I guess you
did for me! I guess
of choosing sleepers. I am glad we sort of
lately. I have ever met
will always remember all those things
appreciate, you did for me and I will
could say that you straightened me out. I really think
you are one of the most wonderful girls
I hope you don't mind me slappin so much of your
luck. well gretch the best in whatever you do,
may god bless you.

all my love

P.S.S. I could write more but people read this book

To Stretch

To one redhead
from one that used
to be. It was real
nice to have known
you this long and
I hope I see you
around this
summer. Best of
luck in your
future yeahs. God
speed. Love
